What we like about Indeed is it's a one-stop-shop, which means we can spend our time on the important things, like pinpointing the perfect candidate in the end. - Ministry of Supply Why should I invite matched candidates to apply? By inviting matched candidates to apply, you'll attract the attention of great candidates faster than if you only posted a Sponsored Job. You can invite as many matched candidates to apply as you'd like. What does it mean to sponsor a job? A Sponsored Job is a paid listing that has better visibility and doesn't fall back in search results over time like free listings. Where can I find my matched candidates? You can view matched candidates right after you sponsor a job. After that, matches can be found the Matched Candidates page of your Employer Dashboard. Where can I invite candidates to apply? You can invite matched candidates to apply as soon as you sponsor a job, or any time after from your Employer Dashboard. Where do these matches come from? We use the information shared in your job description to search millions of resumes on Indeed. Then you get a list of candidates whose resume on Indeed match your job criteria. Everything you need for your best hire, in one place. Get started Start of main content content
